ABSTRACT

This report presents eight tables of data on the racial and ethnic distribution of enrollment at colleges and universities of the University of the State of New York for Fall 1990. An opening note indicates that the data were obtained from the 1990-91 Higher Education Data System Survey, "Enrollment by Racial/Ethnic Status, Fall 1990." Also noted here is how data reported as "unknown racial/ethnic status" were used in the calculations. The tables are as follows: (1) enrollment in higher education institutions by racial/ethnic category, level and gender; (2) enrollment in public institutions by racial/ethnic category, level and gender; (3) enrollment in State University of New York institutions by racial/ethnic category, level and gender; (4) enrollment in City University of New York institutions by racial/ethnic category, level and gender; (5) enrollment in independent institutions by racial/ethnic category, level and gender; (6) enrollment in proprietary institutions by racial/ethnic category, level and gender; (7) undergraduate enrollment by sector, level of institutions, racial/ethnic category and attendance status; and (8) enrollment of first-time freshmen in institutions of higher education by racial/ethnic category, sector and attendance status. COLLEGE AND UNIVERSITY
RACIAL/ETHNIC DISTRIBUTION OF ENROLLMENT

NEW YORK STATE

FALL 1990

The data summaries contained in this report were obtained from the 1990-91 Higher Education Data System (HEDS) Survey form IPEDS-EF,"Enrollment by Racial/Ethnic Status, Fall 1990." Enrollment figures in this report may vary slightly from official enrollment data published in "College and University Enrollment, Fall 1990."

The data reported by some SUNY, independent and proprietary institutions as "unknown racial/ethnic status" are displayed separately, with racial distributions based only on the portion of data for which race was known. In contrast, "unknowns" for all CUNY, as well as some independent and proprietary institutions, have been prorated into racial/ethnic categories based on the known racial distribution.
